## Profile

I am Rohan Koshy Jacob, a highly motivated and results-oriented web developer with a strong foundation in both front-end and back-end development. I possess proficiency in popular web development stacks like React, Next.js, MongoDB, and Tailwind CSS. Eager to leverage my skills and problem-solving abilities to contribute to real-world projects and gain practical experience in a professional environment. I'm passionate about creating impactful web applications and seek an opportunity to learn and grow alongside experienced developers.

## Education

### Bachelor in Computer Application

2022 - 2025

St. Xavier's College

Jaipur, India

### High School

2019 - 2022
